

Parent/Guardian Permission Slip for the 2016 Park Talentorium

Presenting:

Talentorium Website: <http://talentorium.weebly.com/>

★ Deadline for your **Online Application, Music, and Permission Slip** is Tuesday, 2/16! ★

Each individual must submit his/her own online Talentorium Application Form.

One individual from each act must submit music & select audition date/time on behalf of group.

Every individual must submit his/her own Permission Slip to Ms. Hanner's mailbox in the main office.

Attention: This year there will be only one Talentorium. As a result, cuts will have to be made. We encourage students to bring diverse, thoroughly-rehearsed performances to the audition. Group acts are highly encouraged; we urge students to work with peers to support one another. (For example, a singer might like to be accompanied by a piano player and/or back up dancers.) Keep in mind that unique and upbeat performances are always a homerun with the audience!

I acknowledge that...

- an audition for the show does not guarantee a spot in the show
- my child has prepared a complete and thoroughly rehearsed audition (appx. 2 minutes)
- my child has submitted an online application via Google Forms
- my child (or child's group member) has selected an after-school audition date
- my child (or child's group member) has submitted music via Google Forms or Gmail
- student council members and Talentorium Committee members will be rating each audition
(note: ratings will be done privately/individually, and there will be **no** discussion among scorers)
